

Chief Of Police Bullock In Annual Appeal For Support Of Year Around Youth Program

Aux. Police Ass'n In Ambitious Program vs. Juvenile Delinquency

Once again we ask the good citizens of Arlington, who so generously put their extra dollars to work each year with the Auxiliary Police Association, Inc. to support their YOUTH program to again assist us in this work.

As you perhaps know, the Arlington Auxiliary Police Association for the past five years has been engaged in a year-round civic program to build better citizens among the Youth of Arlington. We have conducted such activities as weekly Friday evening dances at the town Hall, classes in magic, rifle shooting, hockey and Junior and Senior Baseball Leagues during the summer months.

This is a big and worth-while undertaking. Literally hundreds of high calibre men in the Auxiliary Police Association are giving unstintingly of their time and efforts to make this program the success it is. Thousands of our young people are the better for it, and it has made Arlington a model community from the standpoint of comparative freedom from juvenile delinquency.

Once again, the baseball season has rolled around and our Arlington Youth Association Baseball Leagues are beginning their FIFTH season. Relying, as we must, on the financial support of public spirited citizens of our town for a large part of our unavoidable expenses, I am writing to ask if you would share in this worth-while program.

There are no salaries to pay in this organization as all of the administrative work is done on a strictly voluntary basis. Every dollar received is used in the several activities conducted for the YOUTH of our town.

A contributing membership card will be mailed to you promptly and you may have the satisfaction of helping mould, for the better, the character of our YOUTH. You will make an investment in GOOD CITIZENSHIP that will pay dividends in our community for many years to come.

Sincerely,
(Signed)
Archie F. Bullock
Chief of Police

Daylight Saving Time In Effect Next Sunday

Don't forget to turn your clocks ahead one hour when you retire next Saturday night. Those long summer evenings are not too far distant. As a matter of fact, Daylight Saving time goes into effect on Sunday, April 24, at 2 a. m., according to the bulletins of the National Bureau of Standards.

Of course there is always a catch in everything, and as we don't get something for nothing, we must all pay for our extra hour of daylight by getting up one hour earlier and moving our clocks ahead, if we have not al-

ready done so when we retire on Saturday night.

In any event, we can now all begin to make plans for more out of door activities. With the coming of the warmer weather we can make invaluable use of that extra hour of daylight. The extra hour will provide more time for tennis after the night meal, an hour of baseball, a pleasant hour of walking in the parks and woods, and around our own fifty acre farm, perhaps, watching the spring come with soft steps into our pastures and down by the shores of our lake.

Daylight saving time has been officially adopted by Connecticut, Massachusetts, New Hampshire, New Jersey and Rhode Island, and is observed unofficially in Maine, as well as in the cities of the middle East and West. Clocks in these states will not be turned back again until September 25, when Eastern Standard time will go into effect again, and we will regain our lost hour for sleep.

Arlington folk joined with all New England on Tuesday to mark the holiday as bands, patriotic groups, both Girl and Boy Scout organizations joined forces to march to the stirring memories evoked by the events of that memorable April of 1775.

Despite the cold and cloudy weather, both young and old residents of the towns of Middlesex County lined the route to welcome Paul Revere and William Dawes, commemorating that famous ride and the stand taken by that sturdy band of early American patriots who fought back the British troops at Lexington and Concord, and struggled to throw off the yoke of British tyranny.

Impersonating Paul Revere was an Arlington rider, Elwood R. Holt, a member of the Mounted Troop Squadron, United American Veterans, whose horse on the start at the North Square ceremonies, during which Mayor Curley presented the famous message to its rider, displayed a bit of the spirit of the early American patriots, causing Holt to drop the precious document.

Delayed somewhat on this account, the riders were not far behind schedule as they galloped through Arlington centre and were greeted by the town fathers with the customary ceremonies, then proceeding on their way to Lexington. Their delay in reaching their final destination in Lexington, however, caused the town fathers

of that town to add a Paul Revere and William Dawes of their own, who rode in to the Lexington green from the Arlington-Lexington line, to be followed in due course by Holt and "Dawes."

Sparling parades highlighted the journey of the patriots, and in the line of march were detachments of soldiers, sailors, marines, coast guardsmen and State guardsmen, veteran units and members of the First Corps Cadets. The customary adjuncts of any and all gala occasions, the balloon and windmill purveyors, together with gardenia sellers, were out in full force, to the enjoyment of the youngsters, and their multi-colored displays added to the color and glamour of the festivities.

In Lexington, the big celebration was climaxed by the dedication of a permanent memorial to the Minute Men who fought in the famed Battle of Lexington. The bronze and granite memorial was placed on the lawn near the famous Buckman Tavern, —meeting place for the Minute Men, and now preserved as a historic shrine for generations of young Americans to revere.

Plan Vacations Early

THE MASSACHUSETTS DEVELOPMENT AND INDUSTRIAL COMMISSION MADE A WISE MOVE THIS YEAR WHEN IT GOT AN EARLY START IN ITS PROMOTIONAL CAMPAIGN TO ATTRACT TOURISTS TRADE TO THE BAY STATE.

MASSACHUSETTS IN THE PAST USUALLY WAITED UNTIL APRIL OR MAY TO BEGIN. THIS YEAR, HOWEVER, THE COMMISSION USED NATIONAL MAGAZINES WHICH APPEARED IN FEBRUARY TO TELL THE WORLD ABOUT THE UNSURPASSED VACATION AND RECREATION RESOURCES OF THIS STATE.

THE MOVE WAS WELL-TIMED BECAUSE AN AVERAGE OF 350 QUERIES DAILY WERE RECEIVED BY THE COMMISSION DURING MARCH FROM PERSONS ALL OVER THE COUNTRY—AND MANY FOREIGN NATIONS AS WELL—WHO WANTED MORE INFORMATION ABOUT BAY STATE VACATIONS. THIS WAS, BY ALL ODDS, THE LARGEST NUMBER OF SUCH INQUIRIES RECEIVED SO EARLY IN THE YEAR.

IT IS NO SECRET THAT COMPETITION FOR TOURIST TRADE IS KEENER THIS YEAR THAN PROBABLY EVER BEFORE. THE OTHER NEW ENGLAND STATES ARE AFTER A LARGER SHARE OF THE NATION'S VACATION DOLLARS. THE SOUTH AND WEST ARE SPENDING HUNDREDS OF THOUSANDS OF DOLLARS IN A STIFF FIGHT TO GARNER THE BIGGEST SHARE OF TOURIST TRADE. CANADA IS INTENSIFYING ITS PROMOTIONAL CAMPAIGN. EUROPEAN NATIONS ALSO ARE PUTTING ON A HEAVY DRIVE FOR AMERICA'S VACATION BUSINESS.

IN THE FACE OF SUCH COMPETITION, THE DEVELOPMENT COMMISSION MUST BE CONSTANTLY ALERT TO FIND NEW AND BETTER METHODS OF ATTRACTING VACATIONISTS. THE VACATION BUSINESS IS A \$200,000,000 ANNUAL INDUSTRY IN MASSACHUSETTS. AND THE COMMONWEALTH CANNOT AFFORD TO BE NEGLECTFUL NOR LAX IN ITS EFFORTS TO CULTIVATE A BUSINESS SO IMPORTANT TO THE STATE'S ECONOMY. THE DEVELOPMENT COMMISSION'S EARLY START IN ITS PROMOTIONAL CAMPAIGN IS EVIDENCE THAT THIS STATE AGENCY IS ON THE JOB.

Mother Of Five Sons To Head Fund Drive

MRS. SYDNEY BEGGS, of Lincoln, mother of five children, all of whom have been hospitalized at Boston Children's hospital, has been named Massachusetts State Chairman of the \$11,500,000 Children's Medical Center Building Fund Campaign. She will direct thousands of volunteer workers throughout the Bay State. Active solicitation in communities will begin on May first.

Announcement of her appointment to one of the top key posts in the drive was made by Richard S. Robie, general campaign chairman.

Well known throughout the Bay State for her work as State Advisor for Women's Activities on the National Foundation for Infantile Paralysis, Mrs. Beggs heads up the team areas into which Massachusetts has been divided for the Medical Center drive. Under her will serve many thousands of men and women comprising the area and local committees who will begin combing the communities of this state for contributions on May 1.

"The expansion of this great Children's Medical Center is of vital concern to every inhabitant of Massachusetts," declared Mrs. Beggs upon accepting her assignment.

"We have many fine hospitals throughout the state, but this is the only one dedicated exclusively to the treatment of children's diseases. I am familiar with the work of the Children's Hospital, with which I have been associated for some time, and I think its clinical services are positively amazing, particularly when we consider the outmoded and crowded conditions under which the medical staff is forced to work."

Mrs. Beggs emphasized the importance of providing special quarters for the treatment of sick and crippled adolescent children.

Help in English or general subjects is offered by experienced teachers. Private lessons or in groups.

"No such provision has yet been made for this age bracket in any of our hospitals," explained Mrs. Beggs. "These teenagers are too old to be hospitalized among infants and young children—and they're too young to be placed among adults."

"Plans have been made to include in the proposed 12-story Medical Center building, which is the ultimate goal of our drive, a special section for the treatment and care of adolescents. There is no room for such vitally-needed space in the 36-year old Children's Hospital building."

Mrs. Beggs said she was prompted to accept the state chairmanship by what she had observed first-hand of crowded conditions inadequate facilities at Children's Hospital, where demands for services long ago out-stripped its capacity.

VARIA STUDY CLUB DINNER

The annual dinner of the Varia Study club, will be held on Monday evening, May 9, at the window Shop in Cambridge. A rummage sale will also be held sometime early in May, and a spring tea is scheduled for Sunday afternoon, April 24, at Hambury, according to an announcement made by the president of the club, Mrs. Cornelius Collins.

FIVE POLIO PRECAUTIONS ARE LISTED FOR PARENTS

Warning that the 1949 polio season is "just around the corner," the National Foundation for Infantile Paralysis today issued a list of precautionary measures to be observed by those in charge of children during the epidemic danger period which usually runs from May through October, reaching its peak during the hot, mid-summer months. The five easy-to-follow health rules for children are:

1. Avoid crowds and places where close contact with other persons is likely.
2. Avoid over-fatigue caused by too active play or exercise, or irregular hours.
3. Avoid swimming in polluted water. Use only beaches or public pools declared safe by local health authorities.
4. Avoid sudden chilling. Remove wet shoes and clothing at once and keep extra blankets and heavier clothing handy for sudden weather changes.
5. Observe the golden rule of personal cleanliness. Keep food

tightly covered and safe from flies or other insects. Garbage should be tightly covered and, if other disposal facilities are lacking, it should be buried or burned.

The National Foundation also listed the following symptoms of infantile paralysis: headache, nausea or upset stomach, muscle soreness or stiffness, and unexplained fever. Should polio strike in your family, call a doctor immediately. Early diagnosis and prompt treatment by qualified medical personnel often prevent serious crippling, the National Foundation pointed out.

The organization emphasized that fear and anxiety should be held to a minimum. A calm, confident attitude is conducive to health and recovery. Parents, it said, should remember that of all those stricken, 50 per cent or more recover completely, while another 25 per cent are left with only slight after effects.

If polio is actually diagnosed, contact the chapter of the National Foundation for Infantile Paralysis serving your community. The chapter will pay that part of the cost of care and treatment which patient or family cannot meet.

Police Chief Bullock Aids PTA Council In Censoring Of Comic Books And Magazines

A word of praise should be given to Archie Bullock, Chief of police for his cooperation, active interest and work in aiding the Arlington Council of Parent-Teacher Associations in its attempt to keep objectionable literature and comic books away from our Arlington youth.

Chief Bullock each month has lists of the undesirable magazines and comic books printed and sends them to Mrs. George D. Reynolds who is the Chairman of Magazine Censorship of the Arlington Council of Parent-Teacher Associations. Mrs. Reynolds then sends a number of these lists to the individual P. T. A. chairman in seven of our Arlington public schools. These unit chairmen include: Mrs. Hugh Farrington, Brackets; Mrs. Eugene Monahan, Crosby; Mr. Donald Johnston, Bradford Parmenter; Mr. Clinton Schwamb, Pierce.

It is then the duty of these civic minded citizens to see that a complete list of objectionable books and magazines is given to operators of news stands and stores in an assigned district. In this way the owner and operator of the news stand or store can refer to his list and in this manner ascertain what he should sell

to our Arlington school children. Arlington may be proud to have as its chief of police a man who is actively interested in the problems of our youth.

Mrs. Reynolds of the Council and the other P. T. A. unit chairmen are doing an excellent job for all our children and we should be grateful for the work they are doing.

LITTLE THINGS about the STARS

RADIO • TELEVISION • HOLLYWOOD

NEW YORK, N.Y.—There are all types of quiz programs on the air. But it remains for youthful television to come up with one of the more mature. "Who Said That?" (Saturday nights, NBC TV stations) asks a panel of big-time personalities to identify the authors of colorful remarks in the week's news. Nimble reporter Robert Trout, whose ability before a microphone is a marvel of the business, emceeds the program. Erudite John Cameron Swayze, the single regular, asks the questions. Like the puzzlers, the guests, who are well varied. Among those recently: H. V. Kaltenborn, cartoonist Al Capp, Joan Blondell, George E. Allen, Presidential aide, Elsie Maxwell.

10TH ANN'Y FOR "HENRY"

They said it wouldn't last. But Ezra Stone, 31, twice a father, still is "Henry Aldrich"—one of the most familiar, one of the most perfectly fitted voice adaptations in all radio. Stone, a brash young actor out of Philadelphia, got the role at 21. When he went into the Army ('41), there was a mad scramble for a replacement. 150 actors were auditioned. In four years, four fellows played the role, none completely suitable to producer and listeners. Stone, who had rehearsed "Henry" daily in the service, returned in '45. This month (Thursday nights, NBC), on the 10th anniversary shows, Stone as "Henry" still was going strong.

Very Little Things

Lucille Ball, star of radio's bright comedy "My Favorite Husband" (Fri. nights, CBS), is glad Easter has passed. The vivacious actress doesn't own a single hat—believe it or not... There may be good reason for high morale among the mate stars, at least—on top-rated Monday night (CBS) "Radio Theater." A regular supporting player is Joan Meer—often acclaimed radio's most beautiful actress... Janet Blair revealed to a studio audience at "Cavalcade of America" (Mon. nights, NBC) that her name really is Lafferty. She's from Altoona, Pa., which is in Blair County. From that she adopted her professional name.

and Williamson Chape, 173 Brighton Avenue, Allston, on Tuesday afternoon April 12. Burial was in Evergreen Cemetery, Brighton. Father and son died of heart attacks within five days of each other.

DELEGATES FROM LOCAL COMMUNITY CHEST ATTEND JOINT COUNCIL MEETING

A significant step of vital concern to all people of Greater Boston will be taken at the annual meetings of the Greater Boston Community Fund and Greater Boston Community Council to be held jointly, Thursday, April 28 at 7:30 p. m. at the Boston YMCA 140 Clarendon street.

In line with the recent report of the two-year Greater Boston Community Survey, the Fund and Council will act upon the dissolution of their functions as such and the incorporation of an organization which shall "be more than the sum of the two and will make possible the achievement of greater unity and efficiency in operation."

The Fund and Council are among the first of the several hundred Greater Boston health and welfare agencies surveyed to follow the commendations of the report. The joint meeting will be confined to authorized delegates of the two groups.

More than 700 delegates living in the cities and towns of Greater Boston will attend. Under the new single organization it is proposed to coordinate the functions of planning and budgeting for all health and welfare services of Greater Boston, both privately supported and tax supported, as well as fund raising for those agencies which rely on voluntary contributions.

Procedural steps, if the plan is approved, will include adoption of new by-laws, election of a com-

plete new slate of members and directors and selection of a name for the organization.

The reorganization committee for the Fund, appointed by Charles C. Cabot executive committee chairman, includes Dorothy L. Book, dean, Boston College School of Social Work; Philip H. Theopold; Jerome Preston; Harry M. Carey; and C. Raymond Chase. Appointed for the Council by President F. Frank Vorenberg are Spencer B. Montgomery; Commissioner Patrick A. Tompkins, Department of Public Welfare; Miss Helen S. Johnson; Roy M. Cushman; and Otto T. Gilmore.

Delegates from Arlington Community Chest are John L. Fagerland, president, and Benjamin F. Hickey, former president.

NEW RESTAURANT FOR CENTRE

Extension alterations are being made in the store formerly occupied by the Hardy Catering Company for many years, at 473 Massachusetts Avenue, Arlington. The store will be completed as one of the latest and most up to date of the Howard Johnson restaurants. The restaurant will be operated by Robert Parks and Karl Adams, and the opening date is set for on or about June first. Both counter and booth service will be available to its customers, and food ranging from snacks, light luncheon or full dinners will be featured in the usual supper manner of the Howard Johnson chain.

Boys' Club Easter Frolic Happy Time

Impatiently waiting the starters whistle, 75 eager Midget and Junior members of the Arlington Boys Club lined up for the Annual Easter Egg Hunt on Easter Saturday morning at the Pond Lane Clubhouse of the Boys' Club.

The excitement was at a fever pitch as the boys surged through the Junior room, Senior room, Bowling Alleys and the Shop. Loud excited shouts greeted the bells of each youngster as he discovered an egg. As each of the varied colored eggs was found the rest of the crowd was stirred to greater efforts to win one of the thirty six chocolate prizes offered by Hunt Director Jim Kenaley.

Lucky winners this year included—Harold Boyce age 8 Gold Egg, Gene Lucarelli age 13 Silver Egg, Don Murphy age 11 Red Egg, Bob Shaw age 13 Green Egg, Robert Ward age 12 Blue Egg, Billy Yeomans age 11, Black

Egg, Terry McDonnell age 11 Blue-Brown Egg, David McKie age 11 Dopey Egg, John Mantone age 11 Red 1-2 White Egg, Brendan Flynn age 9 Easter Egg, Gus Fagan age 9 Black-White Egg, Ralph Hayes age 9 Pink Egg, Leslie Frost age 12 White Egg, Richie Blaney age 8 White with black stripe Egg, Lawrie Hardin age 12, Blue-black Egg, Jerry Maloney age 9 Red-pink Egg, and George Judge age 10 Blue-red Egg. Eighteen Club numbers were drawn and boys holding those numbers were awarded chocolate novelties.

Honor Student

John Cox, Arlington high school student, was honored by being chosen to read the story of the Passion of Christ at the Palm Sunday mass at St. James Church, Arlington Heights.

TENNIS SCHOOL

Boys and girls of Junior High and High School age are invited to participate in a Tennis School to be conducted during next weeks vacation at Spy Pond Tennis Courts.

Classes began last Monday April 18, 1949 and are to be held daily from 10:00 a. m. to 12 noon. Mike Blanchard will again conduct the clinic. He is recognized as one of the top flight tennis instructors of New England and is at present Vice-President of the New England Tennis Umpires Association.

Sneakers must be worn at the courts and bring your tennis racket.

Classes will also be conducted on Saturday mornings during the balance of the school year.

RECOVERING

Building Permits Issued For Providing 115 Units

The building permits recently
issued provide for the construction
of 28 brick apartment building,
contain 115 units, on the five and
one half acre Moore farm, work to
start about May first.

These apartments will be erec-
ted on the tract of land bounded
by Broadway, Warren Street and
Revere Street, Everett Street, will
be extended into the area, as will
also Bowdoin street, the extension
of the latter to be known as Er-
nest road. These permits were is-
sued to the Moore Realty Copora-
tion, of which corporation Robert
L. Moore, of Jason street, is the
president. The DeVries Construc-
tion Company are the contractors
in charge of the project. This is
the firm which built the beauti-
ful garden type of apartments
located at the corner of Highland
avenue and Massachusetts avenue.
The new apartments will follow
the general design and construc-
tion as those on Highland avenue.

It is anticipated that the first
units will be finished and ready
for occupancy about September
first. The apartments will have
3 1-2 and 4 1-2 rooms each, some
with one and some with two bed-
rooms. The heating will be from
three central heating plants. The
units will feature community
laundries with automatic electric
washers included.

Each apartment will have sepa-
rate front entrance and rear en-
trance. Play areas are included in
the plans which also call for auto-
mobile parking areas within the
development. This will be the largest
garden type apartment pro-
ject ever attempted in Arlington.
To make room for the new build-
ings, another large farm, one of
several which comprised Arling-
ton's once famous truck gardens,
will be utilized to provide neces-
sary housing facilities. The project
is not far removed from the pro-
posed veterans housing develop-
ment.

Eugene Lawlor, Jr. Named Director St. Agnes CYO

Mr. Eugene Lawlor Jr., has been
appointed Director of the St.
Agnes C. Y. O. by Msgr. Mathew
J. Flaherty. Fr. Frank Chamj will
be Spiritual Director and Mr.
Frank McIntyre, Treasurer, Mrs.
Agnes Bray, Secretary, and a
committee of C. Y. O. volunteers
will comprise the parish's lay lead-
ers. Their main purpose is to work
in unison to carry out the C. Y.
O. program as designated by the
pastor.

Mr. Lawlor recently stated that
there were twenty men and thirty
eight women acting as lay lead-
ers in conducting the C. Y. O. The
following units compose St. Agnes
program: Cubs, Boy Scouts,
Brownies, Girl Scouts, Sewing
Group, Intermediate C. Y. O., Pub-
lic Speaking, Dramatics Enter-
tainment Unit, Youth Dances,

Athletics for boys and girls, and
girls, and the senior C. Y. O.

The primary purposes for the
C. Y. O. are to enrich and deepen
the spiritual life of boys and girls
young men and young women, to
advance their temporal interests, and
to develop a true Christian
personality by religious, cultural,
recreational, and social functions.

Bridge Party

The bridge and whist parties
sponsored by the VFW Post 1775
of Arlington, which are held each
Friday evening, at the headquar-
ters at the Old Town Hall, Arling-
ton center, are proving very
popular. Many fine prizes are
awarded on each occasion to the
lucky winners.

RADIO TELEVISION HOLLYWOOD

By GEORGE LILLEY

NEW YORK, N.Y.—"My Favor-
ite Husband," a drama of dizzy
family life (Friday nights, CBS),
is winning awards as one of the
best new radio programs. Its star
"Liz Cooper," a smart cookie who
hides her
brains by scat-
terbrained ac-
tivities, is play-
ed by redhead-
ed Lucille Ball.
It is a solid
break for a
tough luck girl.
At 15 Lucille
was advised by
her dancing
teacher that
she had no tal-
ent. She spent
three years try-
ing to be a chorus girl. Then an
auto accident and she was told
she'd never walk again. She did,
after three years. In confinement
Lucille decided not to take life
seriously. The philosophy has
stayed with her. It has been a
factor, she feels, in making her
a good comedienne.

PSYCHOLOGY IN THE AIR
There is something new in radio
quiz shows. This one is based on
popular psychology. Five times a
week "What Makes You Tick?"
"takes apart" studio participants.
The program asks them if they
are conceited?
... if they are
jealous? ...
if they are
thoughtful?
John K. M.
(Kerwin Mich-
ael) McCaf-
fery, air veter-
an, serves as
the show's Ex-
aminer. He is
aided by two
psychologists.
Before examina-
tion on the air,
a participant, via a written test,
self-scores himself. On the basis
of how closely the participant's
self findings of the psychologists,
prizes are awarded. It is all very
interesting—afternoons (2:45 p.m.
EST), CBS.

WHO MAKES THE SHOW?

Producers of the much-cited
Monday night (NBC) "Cavalcade
of America" programs believe it
is not the main actor who makes
or breaks a show. Best start is
the writing. A half-hour "Cavalcade"
script originally runs
1 1/2 hours. It is
crammed with
research and
human-interest
of a story's
times and char-
acters, then cut.
Featured play-
ers are selected
with as great a
care, and some-
times paid as
well, as stars.
... "Dinner" guest
play is a Civil War romance,
"Dinner at Belmont." Eminent
stage actress Margery Maude
plays mature Sarah Polk, widow
of the ex-President. Arthur Ken-
nedy steps out of Broadway's No. 1
play ("Death of a Salesman") to
be an ingenue. The star is glamor-
ous Janet Blair.

CHANGES AT THE NELSONS'

On the homey radio comedy
"Ozzie & Harriet" there is now
extra sound reason for the au-
thenticity of the lines of David
Nelson, 12, and Ricky, 8. The
kids have always read the parts
attributed to them aloud at home
while Ozzie listened attentively.
If they stumbled or were puzzled
by a phrase, Ozzie knew it didn't
ring true; when a youthful word
was needed, the boys often un-
consciously filled it in. Recently
the program switched Sunday
nights to CBS. At the same time,
the Nelson boys took over their
own roles on the air. Before that
they had been portrayed by pro-
fessional actors.

LITTLE THINGS

NEW YORK, N.Y.—Helen Hayes is generally accredited "First Lady" of the theater. In life she is a most untheatrical actress. She spends "glamorous" backstage time at a piece of needlework.

She prefers an up-state farm to night life; art and antiques to a closet of clothes. She's a record fan—not all classical (favored: Ethel Waters' "Stormy Weather," anything by Bing Crosby). Long sought by radio, Miss Hayes is signed exclusively with CBS Sunday evening "Electric Theatre." Among recent performances: "What Every Woman Knows," Victoria Regina, Angel Street. Coming: Saturday's "Children, Farmer Takes a Wife."

LIBERTY IN THE AIR

Ex-actor Frank Gabrielson is a top radio writer. He got into the business because he didn't like actors. Tall, blond, Gabrielson is a graduate of Yale drama school. He met New York actors, decided then he'd rather be a Hollywood writer. The films weren't enthusiastic. Then Gabrielson wrote a radio script—so good it won him three Hollywood contracts. They taught him a lesson. It is radio, he says, that offers writers liberty, creative chances, not Hollywood. He is now a star writer for NBC's Monday night "Cavalcade of America." He wrote "Cavalcade's" cited Thanksgiving comedy "Us Pilgrims." His next (April 4): "Citizen Mama," an original for radio based on the characters of I Remember Mama. Star: probably Irene Dunne.

"RADIO THEATER" PREVIEW
More people tune-in more often to CBS' Monday night "Radio Theater" than to any other of the 20-odd "super-duper" dramatic shows on the radio. In 15 years

... family honeymoon

the program has reached a few conclusions: people like best a story they have already enjoyed, at the movies; (2) a good comedy is best. "Radio Theater" usually gets the good comedies. It offered recently "Sitting Pretty." Coming (April 4): "Family Honeymoon"—a story of a goofy professor and his wife who takes along her three children when she remarries. This may be Fred MacMurray and Claudette Colbert's best since "It Happened One Night."

THE CARSON CHARACTER

Actor Jack Carson finds a reputation as a big bruiser type isn't too good. On his current cross-country theater tour, his act has to live up to Jack's character. Result is a rough-house performance. Carson is doing to date in: one bruised shoulder, one tooth loosened, two nose bleeds, one sprained wrist—all suffered by Jack. The cast of Carson's Friday night (CBS) radio program makes up the show. . . . too tough. Jack the impetuous guy not overly bright—a formula that sped the big fellow in a few years from a Northfield, Minn., college campus to Hollywood fame—fast going for a "dummy."

TUBERCULOSIS COMMITTEE PLANS CAMPAIGN HERE

On April 13th, Wednesday of last week, the Arlington Tuberculosis Committee met with representatives of the Middlesex Health Association, the county Tuberculosis agency, for the purpose of planning the budget for the coming year, 1949-1950, for tuberculosis control in Arlington. Funds were budgeted for various projects of local as well as county interest. Final decisions on these projects will be made as soon as they have become more definite in the local area.

These funds are the result of money donated to the Christmas Seal Sale by all citizens interested in the tuberculosis control

movement. 88 per cent of the money raised in the drive remains to be spent in Middlesex County. That which is kept local is spent in the community for tuberculosis control through health education, case-finding, and rehabilitation, or it is donated to special projects in the county.

Those present from the local committee were Mr. Harry Fox, retiring Chairman who presided at the meeting, Dr. Curtis L. Foye, urological and school physician, Miss Winifred Connel, employee of the Harvard Trust Company, and Mr. Maurice Hatch, employee of the Arlington Gas and Light Company.

LOCAL STUDENTS TAKE ACTIVE PART IN GOOD GOVERNMENT DAY

On April 8, the students of Massachusetts took over the reign of Government at the State House. Mr. Ronald Higby, student Representative, took Representative Hollis Gott's place in the Legislature, and Miss Mildred Carlson took Representative Henry E. Keenan's position. After early registration, the House and Senate were called into joint session and listened to a speech by acting Governor, Richard R. Butera of Boston. They then adjourned to committee hearings, and Miss Carl

son introduced a bill to prohibit the sale of fireworks. She successfully took the floor on the bill. On a standing vote, she received an overwhelming majority of votes sustaining her position on the matter.

The students enjoyed a luncheon at the Boston City Club and in general, enjoyed an exciting day at the State House.

Many of the officials expressed fully argued the bill before committee hearing and in the after-

noon session of the legislature, she their pleasure as to the well-ordered manner in which the students conducted themselves through the day and complimented them on their ability to grasp the operations of our State Government. This is the second time that Good Government Day has been conducted in this state; and from the actions of the students, it is hoped that this Good Government Day Program will be carried on for many years to come.

Protect Gardens

Planting time is here once again and several of the "War time Victory Garden Areas" are continuing this year for the 9th year accordingly the pigeon and dog problems again arise.

In fairness to everyone with lawns and gardens, dogs should be restrained from running loose during the garden seasons. Owners may be held liable for damage done to property.

Those who own pigeons should confine them also, as they do much damage to lawns and crops, eating the seed as fast as planted and the tender leaves as well.

Arlington Man Fails To Identify Youths

Testimony that he did not remember the three defendants who are charged with assault with intent to murder him, was given on Wednesday April 13th, by James H. Fannon, 42, of 202 Spring street, Arlington, in Middlesex Superior Court.

Fannon, in direct examination, failed to identify Michael J. Cloutery, 18, of 15 Newland road, Arlington, Edmund J. McNamara, 17, of 130 Sunset road Arlington, and Joseph P. Doyle 19 of 18 Peter Tufts road, Arlington, who, police charge, beat him up in an alley in North Cambridge, last November.

However, Fannon testified that he was unable to remember any of the events leading up to the incident, or any of the events following the incident. He was confined to the Cambridge City hospital for a period of 28 days, after he was found unconscious in an alley off Dudley street, and he testified that he could only remember being in the hospital during the last two days of his confinement.

Several Cambridge detectives testified at Friday's session and on Monday of this week. A woman chemist employed by the State Police, testified in Court that she had found blood stains on the clothing of the three youths.

Stating that she was a criminal investigator for the army during the recent war trials in Germany, Mrs. Charlotte N. Ross, of Arlington, told the court that she "used the rabbit test on the clothing of the defendants and found that there were spots of human blood upon it."

The Commonwealth contends that the defendants were wearing the clothing when they allegedly beat up Fannon. Inspector John J. Hourihan, of the Arlington Police force also testified that he arrested the youths at their homes with Sergeant Alfred E. Marckini and Inspector John J. Norton, of the Cambridge police.

The case is being continued probably through the balance of this week before a verdict is reached.

Letter To Editor

Dear Editor:

By next week the Massachusetts Legislature may have sentenced to destruction the Charles River Esplanade. There is a bill on the verge of passage which demands the use of the Embankment for a super-highway. This is a state matter. The vote of representatives from all over Massachusetts will determine the fate of the Esplanade. If the bill passes it will either destroy entirely or greatly impair the value of two playgrounds, a nursery, the Charles bank beach and ball park, and the Hatch Shell.

We agree heartily that traffic congestion must be relieved, but is this the solution?

1. Is this road creating worse bottlenecks? Is it taking people where they want to go?

2. Before destroying the Esplanade why don't they give the other proposals equal consideration, and why not improve existing roads?

3. Why is there no accurate estimate of the building costs and of promised restoration?

We are not reassured that recreational facilities will not be destroyed for the following reasons:

1. The public has not been told how much more than \$8,000,000 it will cost to fill the basin, nor if it is possible.

2. The accessibility of the park would be greatly limited by having only four ramps spaced along the 2 1-2 mile highway. Unwary children may not bother to use these ramps.

3. Free concerts at the Hatch Memorial Shell may have too be abandoned since diverting traffic on an express highway is not practical.

4. There is also the probability that the money will run out before the restoration is started.

We do not believe that the people of Arlington and other suburbs of the Commonwealth would really want to sacrifice this park.

Some of the 75,000 ABC Pins Get Ready to Travel

Did you know that rules of the American Bowling Congress call for daily replacement of the bowling pins on its 40 tournament alleys? This means some 75,000 new pins are used in the course of the event. The practice assures that every team will compete under exactly the same circumstances. In the photograph above a girl is repacking a few of the discarded pins for distribution by Chevrolet truck to privately owned bowling establishments.

WORTH THINKING ABOUT
In the automobile business you sink or swim on the trade-ins. I've been swimming for more than twenty-two years.

Use a simple system. Good, clean merchandise comes in, send it through the shop, offer it for sale. Guarantee it and back it with earned reputation.

Car comes in not up to par, unload it to the wholesale trade. Result is that any used car at CROSSLEY'S is an honest value. Have some choice used cars on hand right now. Come see them. V. A. CROSSLEY
